THE BOAT

One of the newest and largest dive yachts in Indonesia

King Neptune is a 46-metre (150-foot) luxury liveaboard yacht, launched in 2026, built to carry up to 20 guests in 10 en-suite cabins on diving voyages across Indonesia.

A professional crew of 22 pairs modern marine technology with five-star hospitality. With a range of 3,000 nautical miles she reaches the most remote and pristine dive sites in the archipelago, from Raja Ampat and Halmahera to the Banda Sea, Wakatobi, Alor and Komodo.

CABINS

Ten sea view cabins, each with its own bathroom

Every cabin on King Neptune has a sea view window, an en-suite bathroom and air conditioning controlled from the cabin. Eight double cabins are split between the main and upper decks, and two single cabins on the upper deck are made for solo travellers.

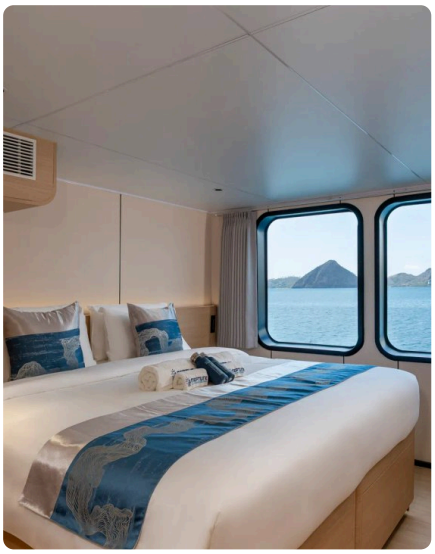

Sea View Cabin, Main Deck

4 cabins · 2 guests · Main deck

BEDDING
King bed or twin beds

The Sea View Cabin on the main deck has air conditioning and an en-suite bathroom. It can be made up with either a king bed or two single beds, so it suits couples and friends alike.

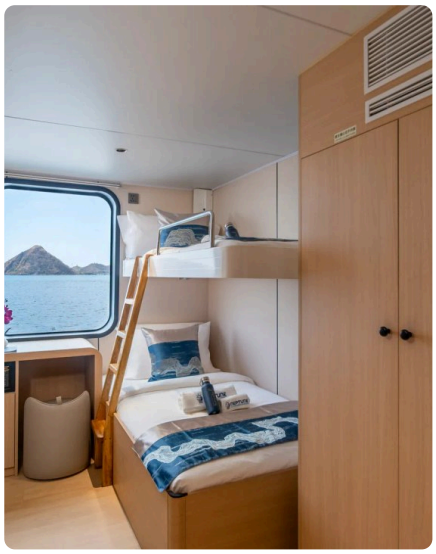

Sea View Cabin, Upper Deck

4 cabins · 2 guests · Upper deck

BEDDING
King bed or twin beds

The Sea View Cabin on the upper deck has air conditioning and a private en-suite bathroom, with the same choice of a king-size bed or two single beds.

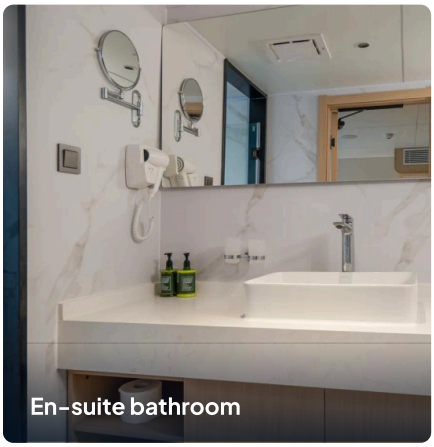

Sea View Single Cabin

2 cabins · 1 to 2 guests · Upper deck

BEDDING
Single bed, or bunk beds for two

A private sea view cabin made for solo travellers who want their own space: a comfortable single bed, en-suite bathroom and individually controlled air conditioning. Travelling with a buddy? The cabin converts to two bunk beds.
