THE BOAT

A luxury phinisi for Indonesia's remote reefs

Neptune One is a luxurious 39-metre (127-foot) traditional Indonesian phinisi, sailing the archipelago with three main destinations: Raja Ampat, the Banda Sea and Komodo.

With eight cabins for up to 16 guests, she delivers an intimate, premium diving experience: gourmet meals, professional dive guides and attentive service in some of the most remote and pristine waters on Earth. Non-divers are welcome, with snorkelling, beach visits, kayaking and scenic cruising on every itinerary.

GOOD TO KNOW

Who is she for?

At least Advanced Open Water is recommended, as some sites involve drift dives and depths beyond 18 m. Intro courses can be arranged on board for non-certified companions.

Nitrox

EANx 32 from a Bauer PE 320 B membrane system, at a supplement. Recommended on multi-dive days to extend bottom time.

Non-divers

Welcome on every trip: snorkelling, island excursions, beach visits, kayaking and scenic cruising are part of the itineraries.

Balcony cabins

The two Deluxe Sea View cabins with Balcony on the upper deck are the largest on board, at 30 m², each with a private balcony and seating.
